

Please help make our show a success this year!

Pacific Northwest Camaro Club with Pacific Raceways presents the Northwest GM Nationals

The annual **Northwest GM Nationals** will be held on Saturday **Sept 14th, 2019** at Pacific Raceways in Kent, WA. The event is open to all GM brand vehicles and consists of a car show combined with a full day of multiple class drag racing. The car show is a charitable event with proceeds supporting the Hot Rod Hall of Fame Scholarship Fund. The event has grown each year and we anticipate over 500 vehicle entries and up to 1000 spectators.

The car show portion of the event is organized and presented by the **Pacific Northwest Camaro Club (PNWCC)** which was formed in 1987 and has over 30 years of experience in car show organization. Since its inception PNWCC has produced many shows and has raised over \$35,000 for local charities.

Sponsorship is the lifeblood of any non-profit organization and promotion is a key to success of any business. These shows are an ideal way to bring these two elements together to assure a successful event for everyone involved.

We would like your sponsorship which can consist of providing financing support or by donating products and/or services as door prizes. Also, product samples or advertising material that can be put in the goody bags (150 items) are a great way to promote your business and would be very much appreciated. Please take a few minutes to consider sponsorship of this show and how this could benefit your company.

As an added attraction for the car show and race a vendor area has been set aside for companies to display and sell their products. If you would be interested in having a booth for your company please contact the undersigned.

The sponsors will be listed on our web site at <https://www.pnwcc.com/northwest-gm-nationals/> with a link to all supporting companies' web site. We also will include a list of all sponsors in the show promotional materials.

Thank you for any support that you can provide and please send any donations to the following address. For more information about the shows (including questions and ideas) please call, e-mail or mail to:
